Sir:

Pursuant to 37 C.F.R. §1.56, §1.97, and §1.98, Applicants bring the listed and attached documents to the attention of the Examiner. A modified form PTO/SB/08 listing said documents is enclosed.

Pursuant to the USPTO waiver of the requirement under 37 CFR 1.98 (a)(2)(I), copies of cited U.S. patents and patent application publications are not attached.

Applicants certify pursuant to 37 CFR § 1.97(e) that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

Citation of these documents should not be construed as a representation that the documents are in fact material or are in fact prior art with respect to the instant invention. The Examiner should not make any inference relating to the relative pertinence of cited references based upon the order in which the art is presented. Citation of these documents should not be construed as a representation that a search has been made or that more pertinent art may not be in existence.
